

Challenge 07

Design a register and login screen with:

1) Login :

2 text input id, password

1 image

1 image background

1 button

2) Register:

5 text inputs, name, email, mobile no (2 textinputs 1 small for country code and 1 for mob no) and password.

1 button

1 image and 1 background image

Also implement state and props in your own concept within the design.
